WHAT: MAJOR TRAFFIC DELAYS

WHEN: SATURDAY (JAN 6) THROUGH MONDAY (JAN 8) 4 AM

WHERE: NORTHBOUND I-15 AT I-215 IN DEVORE

Caltrans is requesting the media's assistance in alerting the public via television, radio and newspaper of major delays on the northbound I-15 just below the Cajon Pass for this weekend.

The delays are due to the Devore 2 paving project, which closed the northbound 15 beginning Saturday, January 6th, at 8:00 a.m. through Monday, January 8th, at 4:00 a.m.

The delays are up to three hours for drivers on the northbound I-15 from I-10 through Ontario, Rancho Cucamonga, Fontana, and Devore.

Please advise northbound I-15 motorists out of Los Angeles to use an alternate route, such as SR-14 through Palmdale to SR-58 back to I-15 north. Orange County and Inland Empire motorists traveling northbound on I-15 are advised to use I-10 east to I-215 north back to I-15 north. Delays on the 10 and 215 may be lengthy, also.

This information will be updated when available. For radio or on-camera interviews, please call Terri Kasinga at (951) 232-4268.
